

## Texte pour l'oral d'Anglais : Camping Arcachon.

Good morning, everyone,

Today, I going to **present** U a place from my **past** that I already come since my **childhood** : City of **Arcachon** + **Camping** : **Les Flots Bleus**.

Here, U can see a **general view**.

When **a young boy**, with my **family** (parents and 2 sisters), I spent my vacat° **every year (365 days)** near the city of **Bordeaux**, in a small famous town, **Arcachon**. **1 of the most popular place** near the city : **Dune of Pilat**. This **Dune** is the **BIGGEST** in **Europe** + U can see it on this **pictures**.

During these **happy summers**, I could pratice **several activities** + **sports** : **swimming**, **scubadiving**, **tennis**, **karting**. I was used also to have long walks with my **friends**, who lived in **a nice place**, a **camping** nammed **Les Flots Bleus**. I have a lot of **memories** from this **period**, especially became I falled in ♥ for **a marvellous girl**, **Elisabeth** ! She was so **beautiful** with her **brown hair** and **green eyes** !

**Last year**, I came back to **Arcachon** + to the **camping**. What a **pity** ! A **very big fire** had destroyed the **buldings** + the **forest** all around. I was **very sad** + I tried to remember U **games** + **pleasures**. I thought that all **my childhood** **had burned too**.

**Condoleances and thoughts from families + victims.**  
**RIP.**
